

PRESS RELEASE

March 16th, 2022 – Communication N.1 – Aircraft Accident – Colico (Como), Northern Italy

This morning, at approximately 12:00 PM, an M-346 aircraft crashed in the area above Colico (Monte Legnone) near Como in Northern Italy.

Emergency vehicles are now operating in the area and Leonardo, as per its established practice, has immediately activated an internal investigation committee.

The cause of the accident is under investigation.

Unfortunately, the rescue teams arriving at the site of the accident ascertained the loss of one of the two pilots. Leonardo expresses its most heartfelt condolences.

Leonardo reserves the right to provide further updates on the event in the next few hours.

Leonardo, a global high-technology company, is among the top world players in Aerospace, Defense and Security and Italy's main industrial company. Organized into five business divisions, Leonardo has a significant industrial presence in Italy, the United Kingdom, Poland and the USA, where it also operates through subsidiaries that include Leonardo DRS (defense electronics), and joint ventures and partnerships: ATR, MBDA, Telespazio, Thales Alenia Space and Avio. Leonardo competes in the most important international markets by leveraging its areas of technological and product leadership (Helicopters, Aircraft, Aerostructures, Electronics, Cyber Security and Space). Listed on the Milan Stock Exchange (LDO), in 2020 Leonardo recorded consolidated revenues of €13.4 billion and invested €1.6 billion in Research and Development. The company has been part of the Dow Jones Sustainability Indices (DJSI) since 2010 and has been confirmed among the global sustainability leaders in 2021. Leonardo is also included in the MIB ESG index.
