ENGINEERING LOGIC PUZZLE!

Amy, Ben, Chris and Danielle all work as different types of Engineer. Using the clues, can you figure out which type of Engineer they are, their favourite thing about their work and which order they started work in? Use the grid below, as well as the table, to help you solve the puzzle.

Example clue: Amy is not an electronic engineer.
From the clue, we can put a cross in the grid as shown below. You can fill in the grid with crosses and ticks whilst going through the clues.

CLUES

1. The person who is a Software Engineer started work 2nd
2. The Engineer who enjoys solving problems started before the Engineer who likes working in a team
3. Ben is a Mechanical Engineer
4. The Electronic Engineer enjoys the fact that every day is different
5. The Aerospace Engineer started straight after the Electronic Engineer
6. Ben started working 1st
7. Danielle enjoys solving problems
8. Amy started working after Danielle
